

JEMMPM

2018 International Conference on Metal Material Processes and Manufacturing
(ICMMPM2018)

Jeju Island, South Korea, July 19-20, 2018.

Best Paper Award

Modelling of macrosegregation with mesosegregates in a binary metallic cast by
the diffuse approximate meshless method

-Paper ID:2

Katarina Mramor, Vanja Hatić, Boštjan Mavrič and Božidar Šarler
from

Laboratory for Simulation of Materials and Processes, Institute of Metals and
Technology, Faculty Of Mechanical Engineering, University of Ljubljana, Slovenia

July, 20, 2018

Date

J. Mavrič
